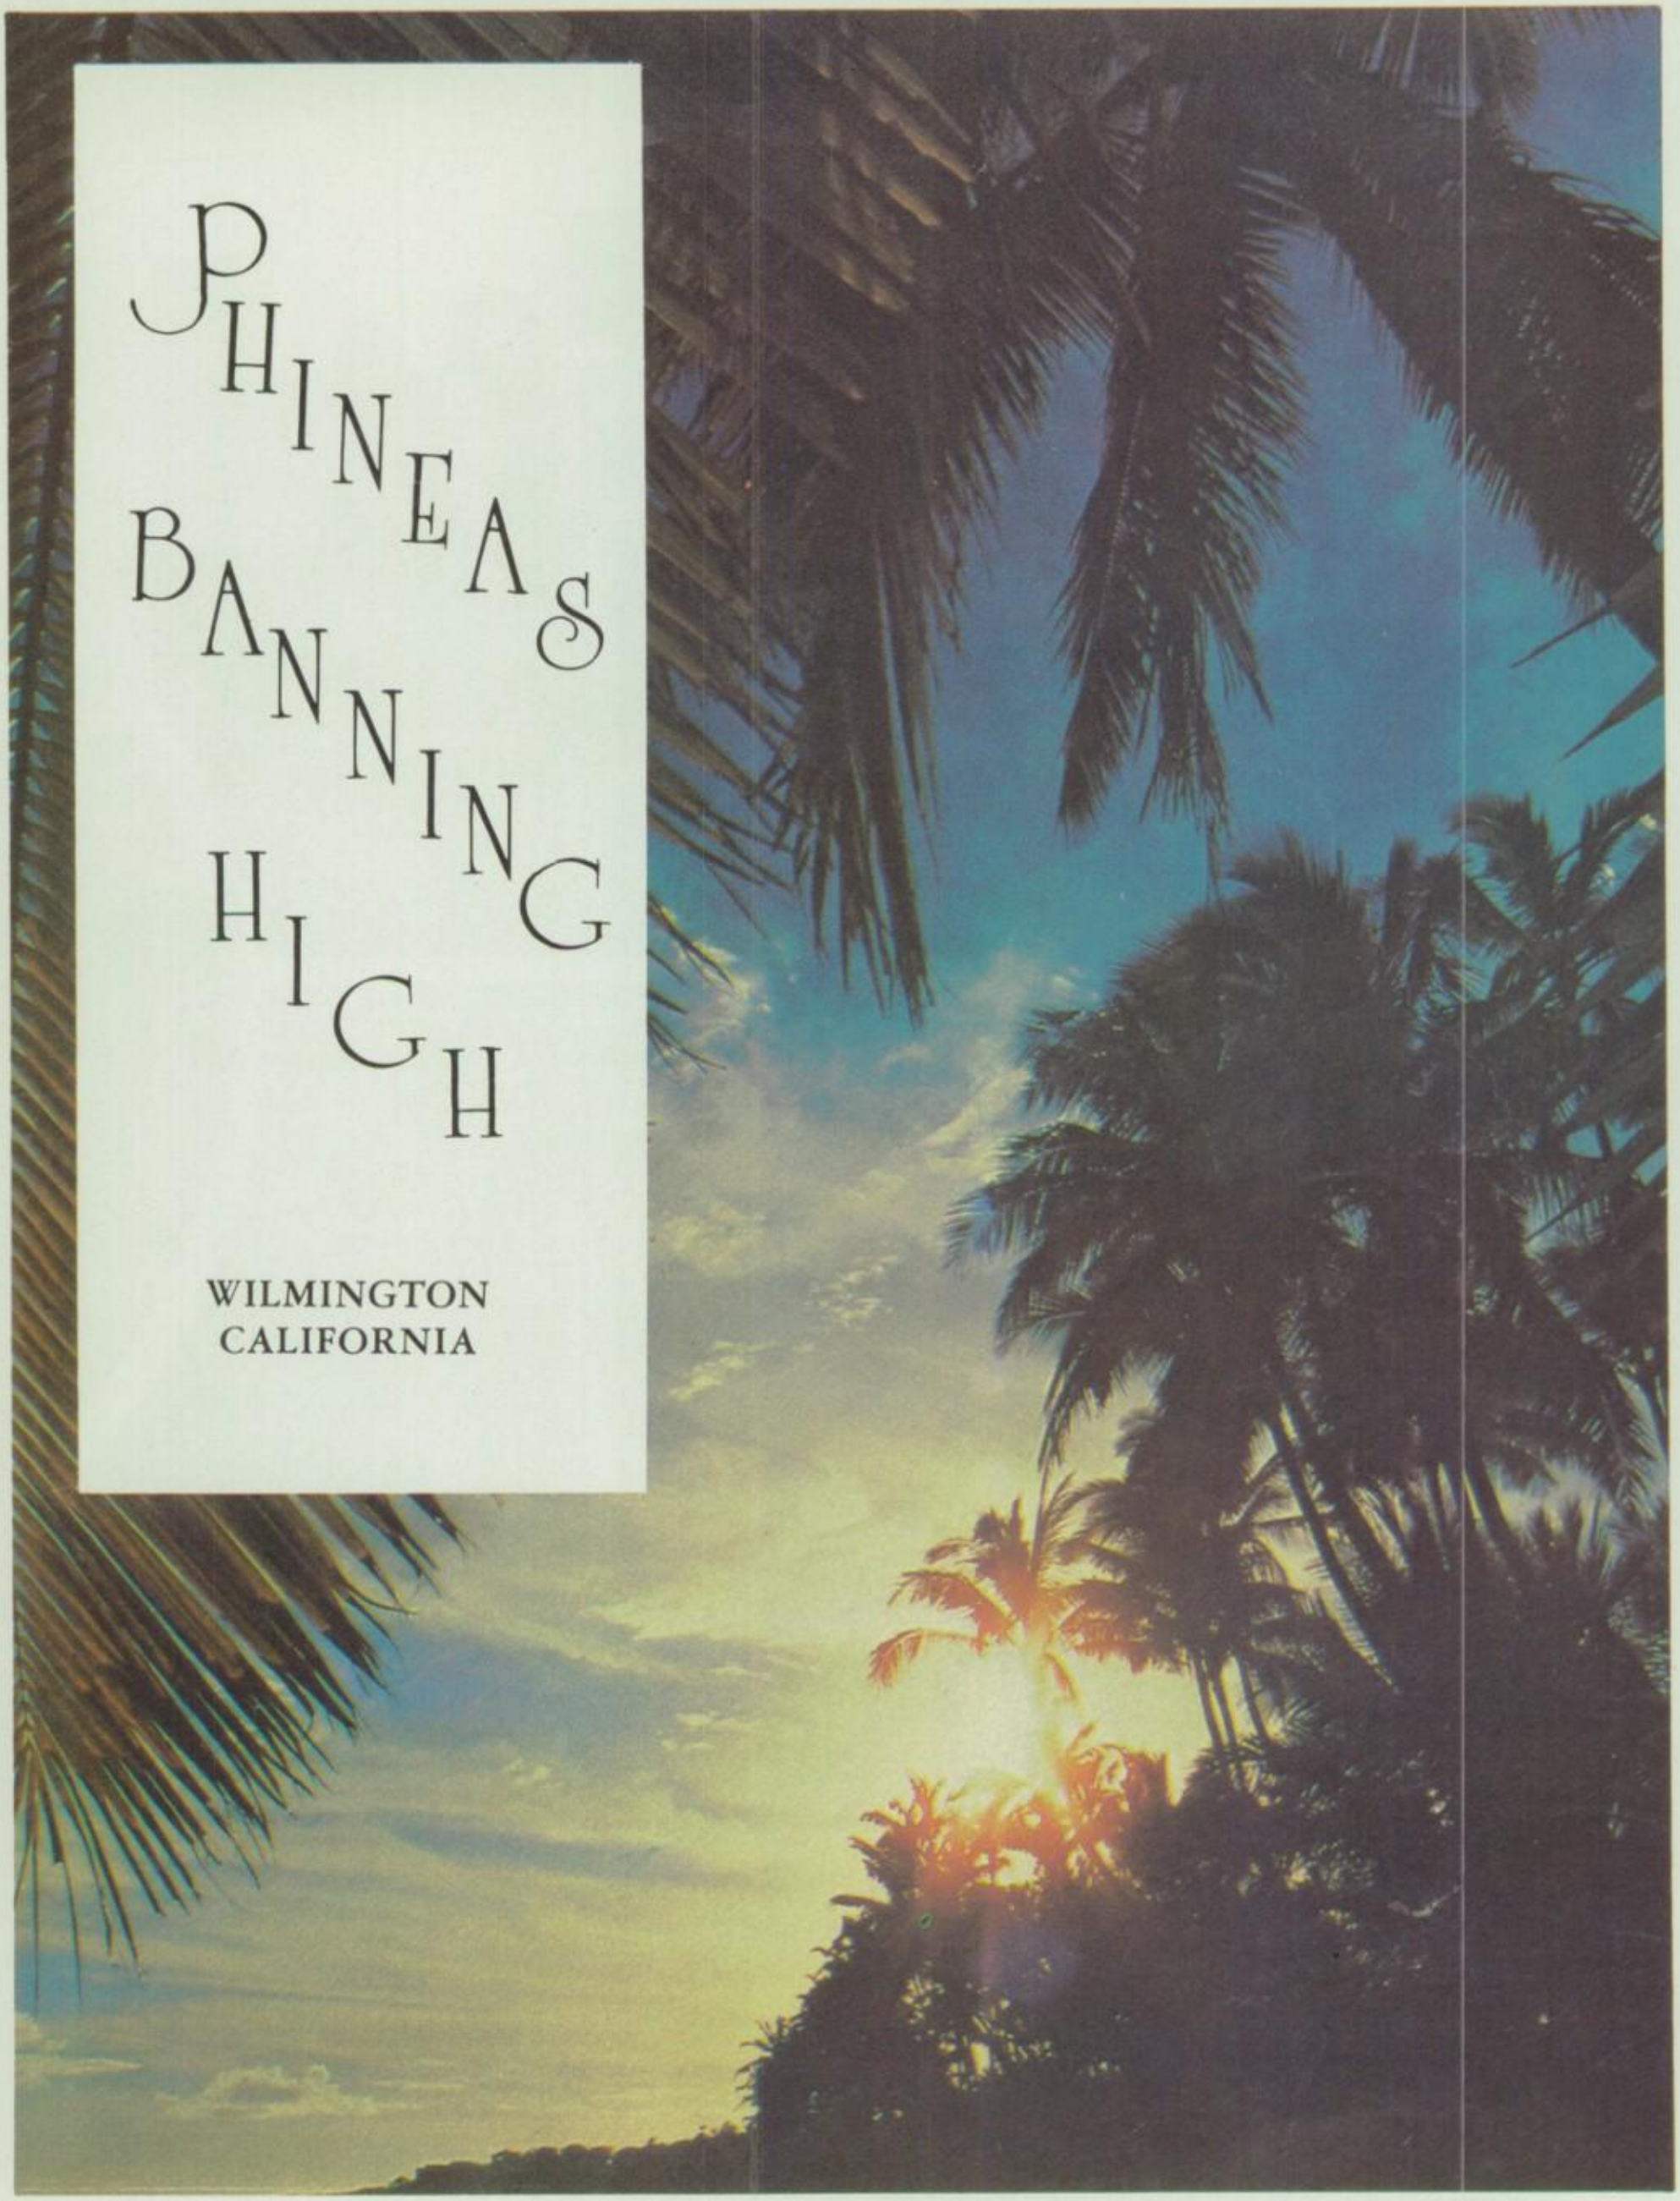
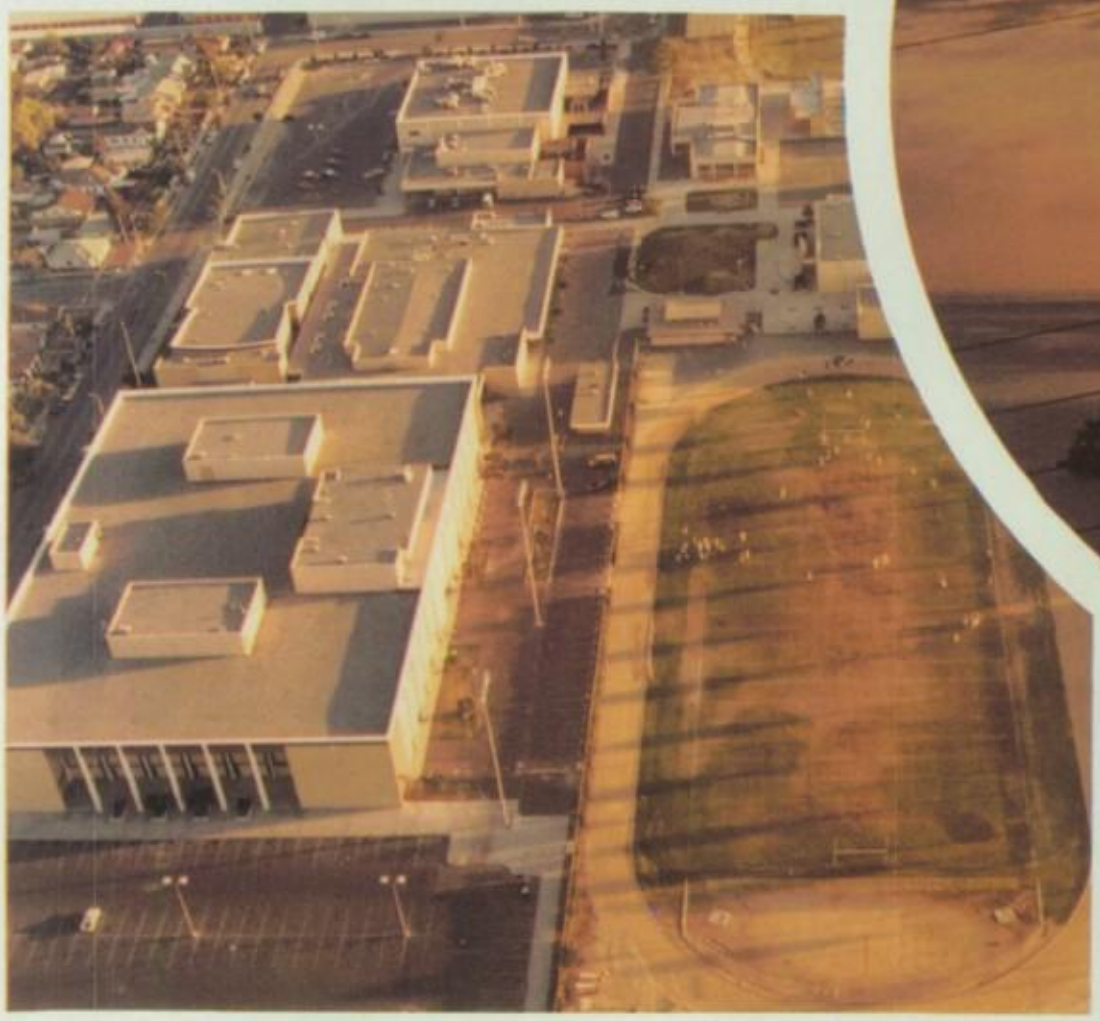
PHINEAS BANNING HIGH

WILMINGTON
CALIFORNIA





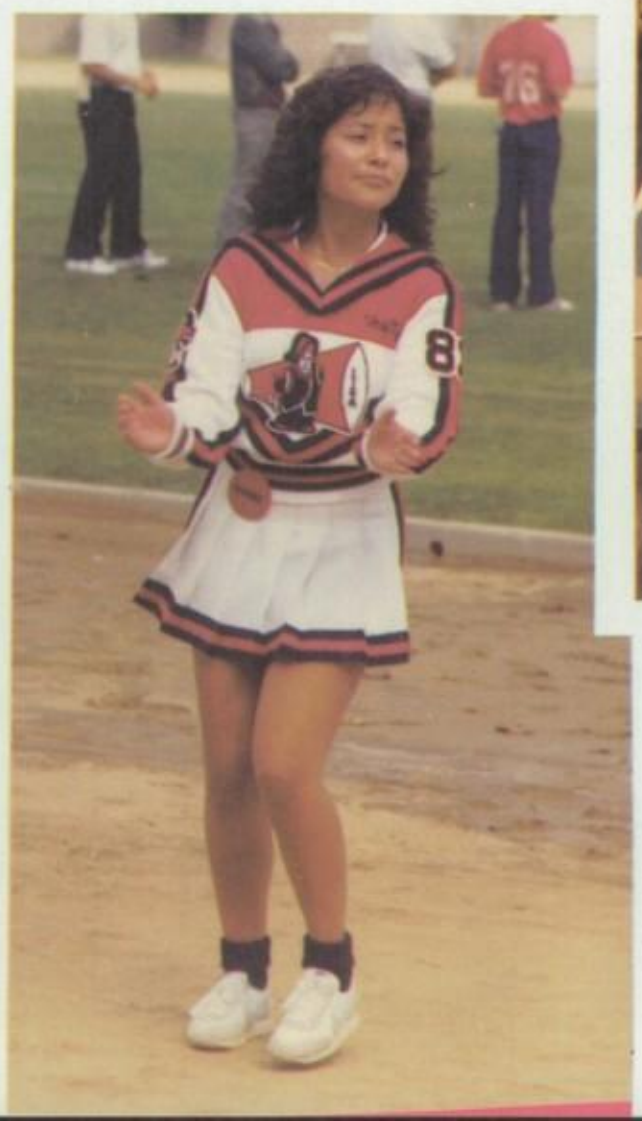


Illustration by Mary Mendez

From the shell
I hear the sea
As if it were
Calling out to me
The sounds of the beach are wonderful to hear
Like the calls of the seagulls flying over the pier

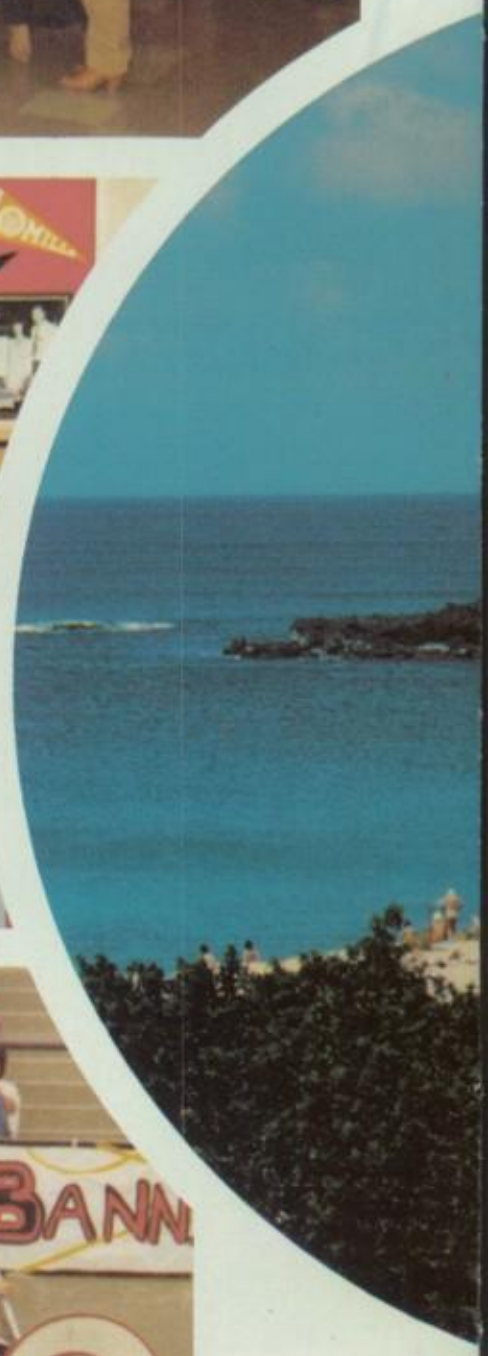

Illustration by Lisa Raines

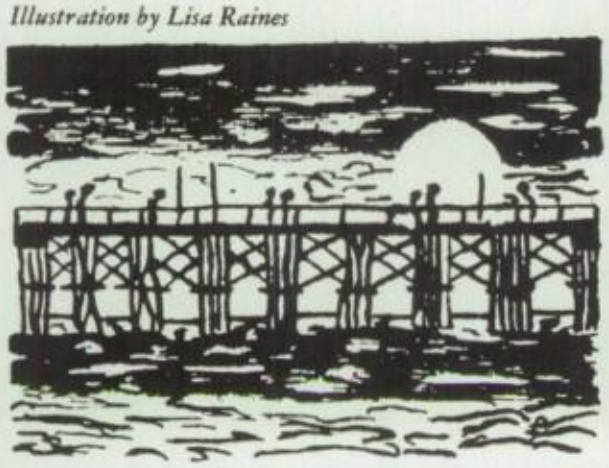

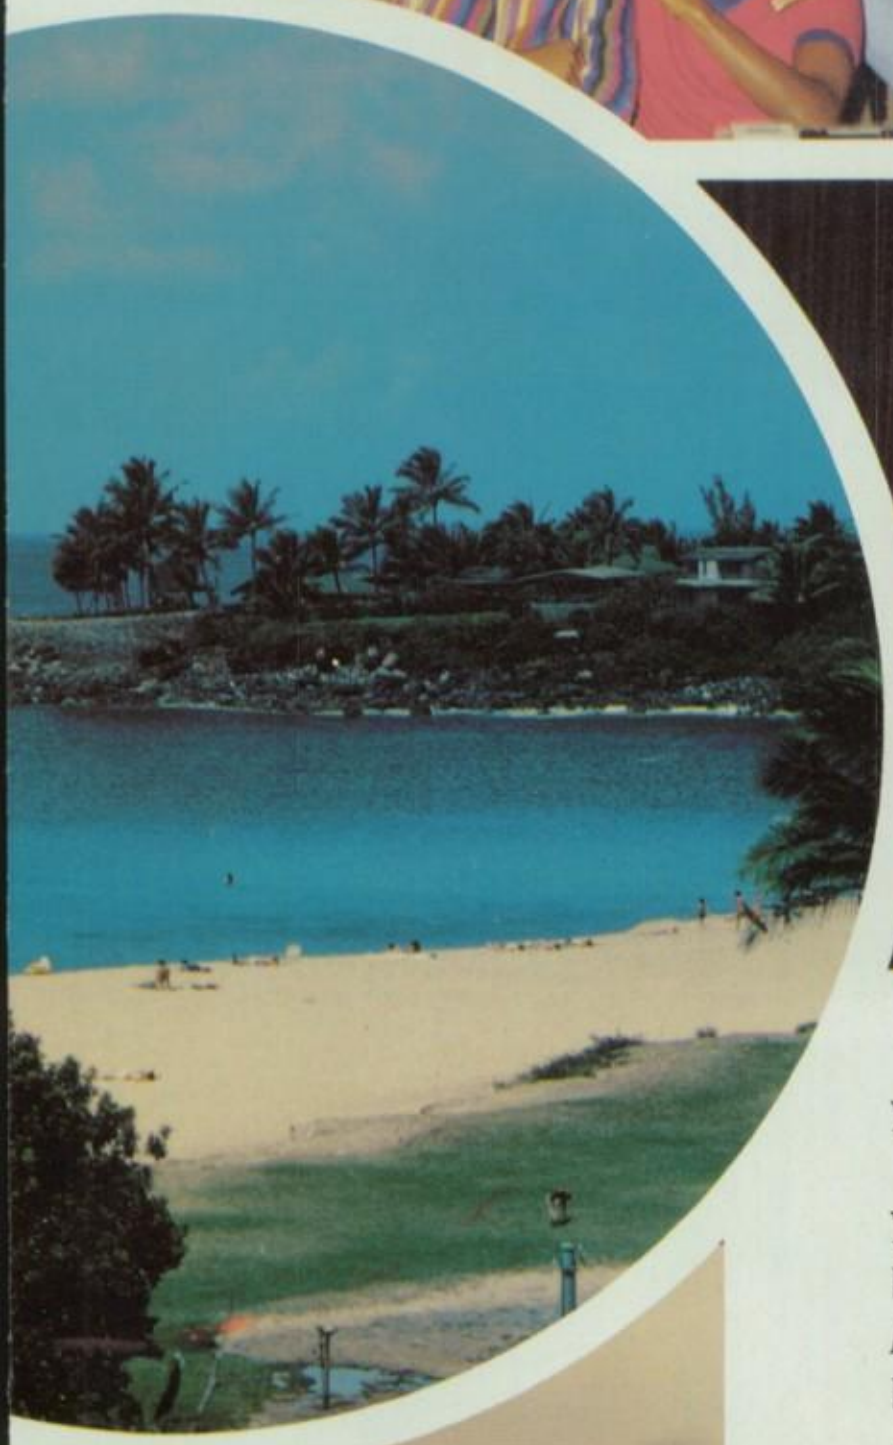

You feel so different when you're
Laying on the sand;
You feel you're going to become a New Person.
When you know the time is soon to come.
But you feel happy at the beach
Where you would like to stay
And always have lots of fun.

The sun burning a hole in the blue of sky
A seagull screaming the day alive
Waves doubling their fist and pounding the land
Cliffs arching their backs against the sand
These sights and sounds are good to me
These sights and sounds just set me free

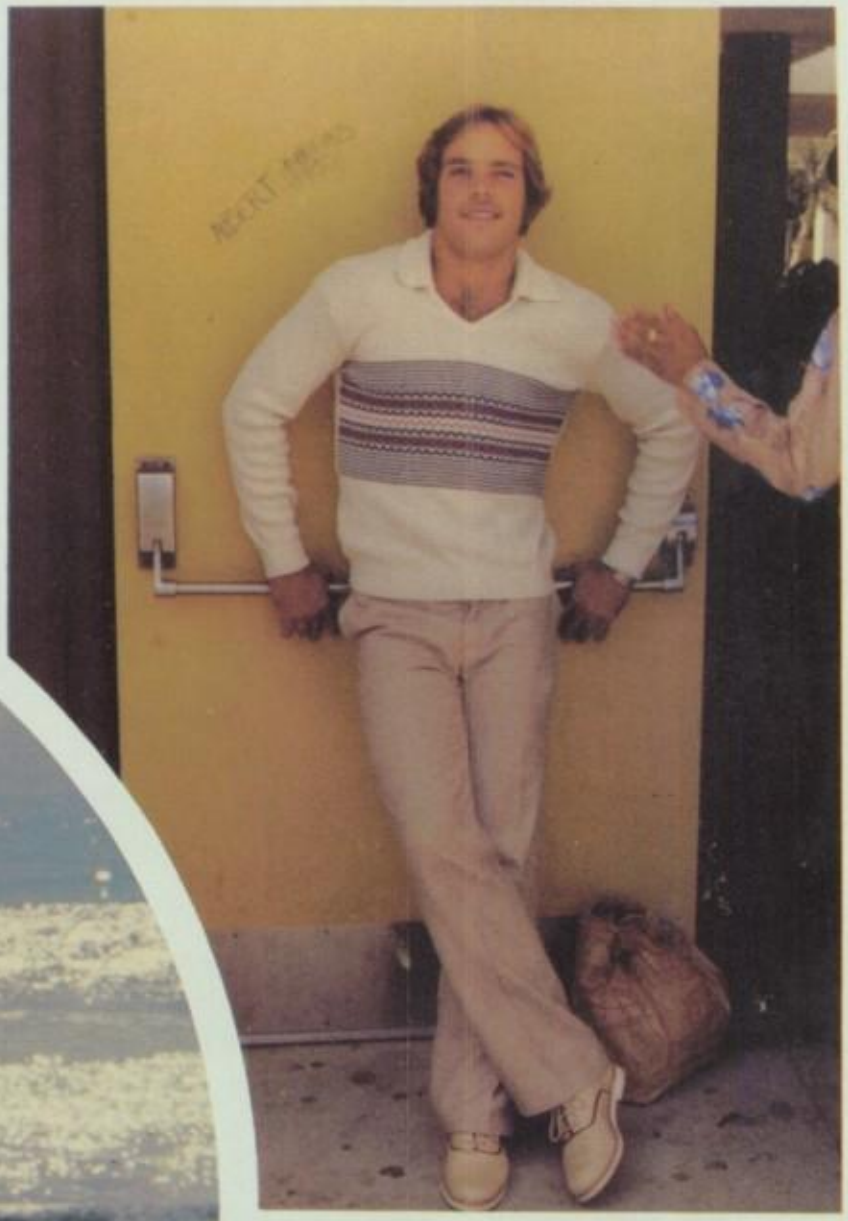

Illustration by Annamarie Manzo

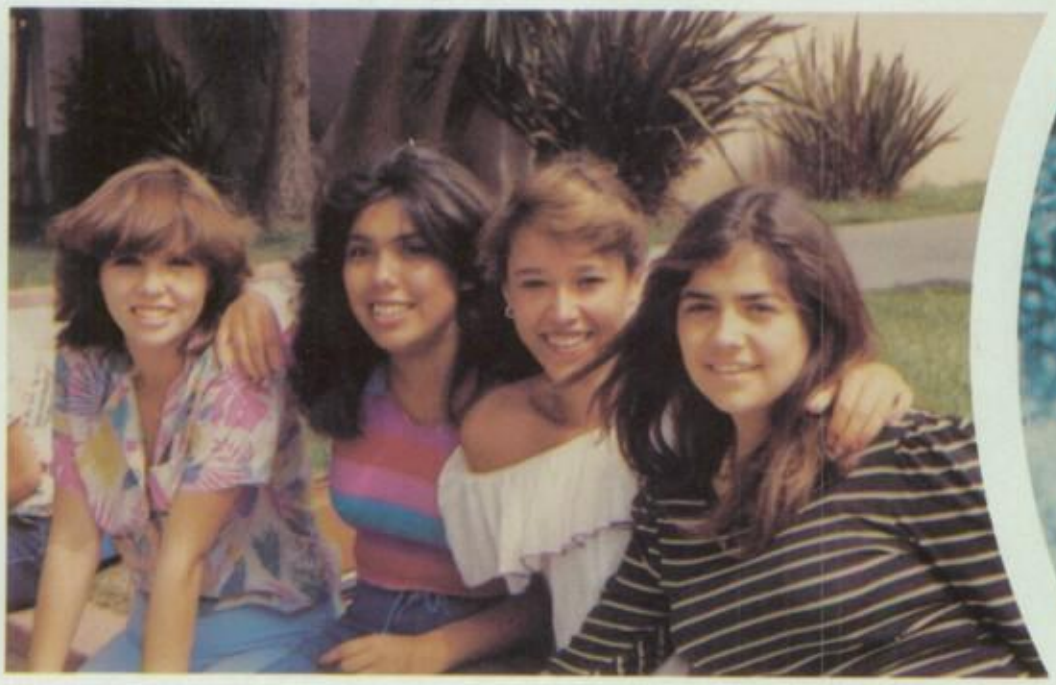
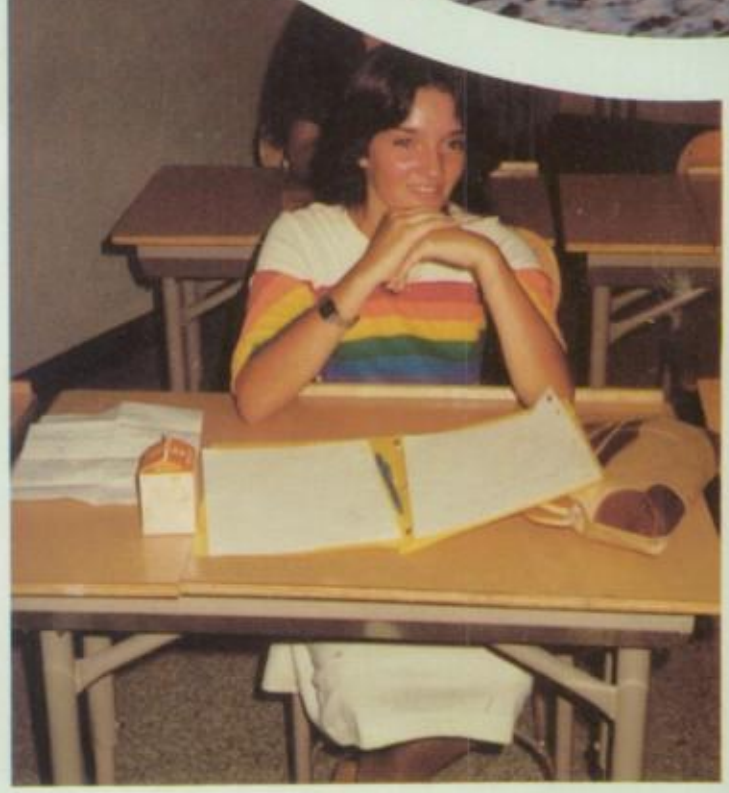


The endless sea
that travels deep and long
Taking all with graceful care
and sea breeze songs
Slowly she drifts
along the sandy shores
Causing nature to go
at its pace
Like life is too
but live it freely
Until we see no more.



Graduation day is coming
And a new life will begin
You hit the beach where it's calm and cool
And feel the summer wind.

BOYS' AND GIRLS' STATE

Honored to have represented Banning as delegates at California's 44th Annual Boys' State and Girls' State Conventions, both Rosanna Gloriani and Danny Guzman said, "It was an interesting experience. We got to see first-hand how politics really works."

Rosanna Gloriani and Danny Guzman attended a one-week course in politics, held during the summer at our state capitol at Sacramento State University. The program was sponsored by the American Legion and the American Legion Women's Auxiliary. The reason for having such a program is to get young people interested in politics and to make a career of it. Both Boys' State and Girls' State are designed the same way with Boys' State being held first.

"While we were there, we formed our own government. It was like a little state with cities, the state being the dorms and the floors the cities," commented Guzman. One of Guzman's greatest surprises came when he met Jerry Brown, the Governor of California.

Gloriani, the Girls' State representative, was equally as satisfied as Guzman. "We did everything just like Boys' State," commented Gloriania. "We formed our government, had political debates, a mini-congress, conventions, an elections committee and primaries. I ran for state treasurer but ended up being Park and Recreation Manager."

PILOTS CONQUER ALL IN PRE-SEASON

The Pre-Season opened against San Pedro High School, and our young team made plenty of mistakes, yet we prevailed. Our next big hurtle was with a Long Beach Poly team that had been CIF Champions in 1979. It was in the second half of this game that our inexperienced defense came together and allowed the Pilots to win a narrow 15-14 victory. The next two games against Redlands and San Fernando provided momentum the Pilots needed going into league play.

30 GAME WIN STREAK ENDS

We opened our Harbor League schedule with a victory over a much improved Fremont team. Our next game against Washington proved to be another step on the way to the game we were all looking forward to. The Gardena game was the first real Harbor League test, and it was touch and go right up to the final gun. Thanks to the heads up interception by Kennard Davis in the end zone we were able to salvage a 20-13 decision. The finale was Carson. They were undefeated. Our Pilots played hard, tough football but made mistakes and errors which cost the game and the Harbor League Championship. We were sad after the game, but realized that we must look forward to the upcoming playoffs.

CHAMPS 6× IN A ROW

The playoffs found the pilots playing San Fernando as our first opponent, and we played flawlessly in defeating San Fernando 45-7. The semi-final game was with rival Gardena and the Pilots made very few mistakes scoring 44 points to win easily. Now it was time for the City-Final game with undefeated Carson. Banning had to call upon a young all-League Bee Quarterback for the offense. Luckily, Lee Atencio had all the courage and determination to direct the Pilot offense. Our defense, led by Greg Battle, Dwayne Moore, Taulau Tupua, LaFon Thompson and Derrek Pearson held the Carson Colts to 14 points and enabled the Pilots to win their sixth straight Los Angeles City 4A Football Championship 21-14.

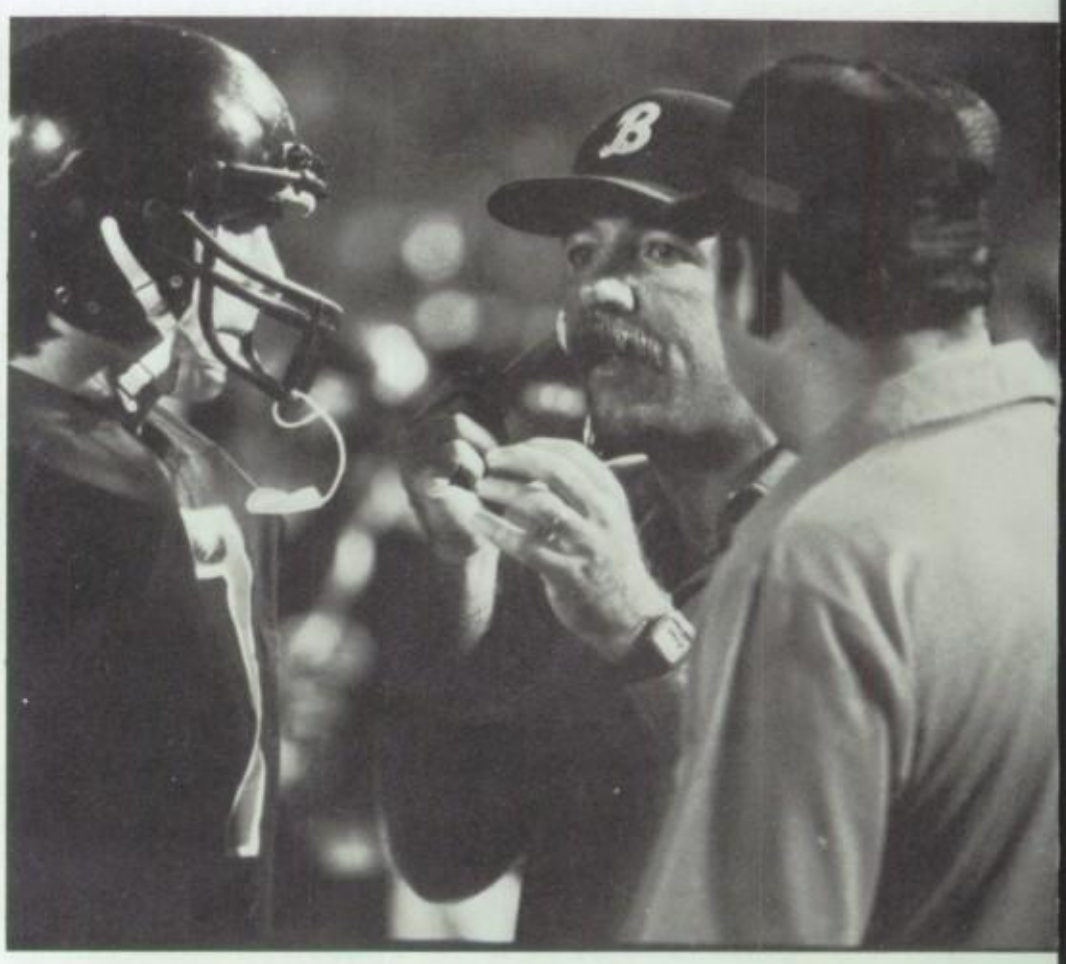
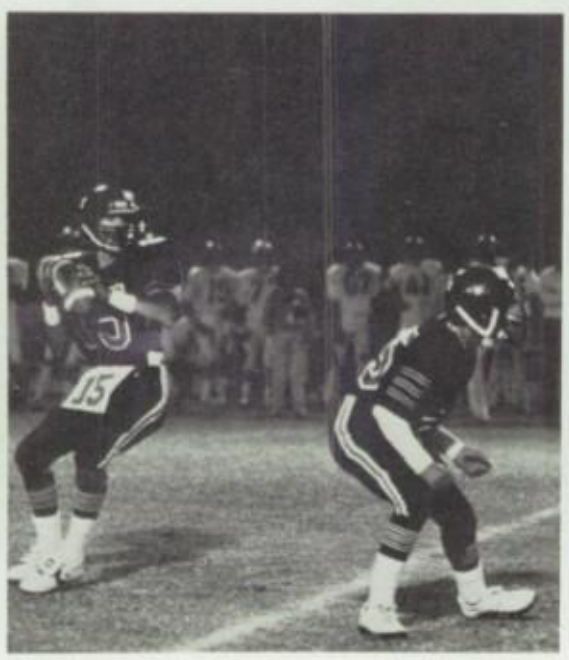
BEE FOOTBALL GOES UNDEFEATED

This year was a special and memorable one for Bee Football. They were undefeated and untied. This season was the first undefeated season since 1962. It was a team that placed 19 members on the "All-League" team. It was a team offense that scored 52 touch downs while the defense only allowed its opponents to score twice. It was a year that saw a Bee quarterback go to the play-offs and lead Banning to a 6th straight City Championship. The most exciting games of the season were the 20-13 come-back victory over L.B. Poly and the 21-6 victory over Carson to win the conference title. This was first victory over Carson since 1968.





PICTURE CAPTIONS: *Page 186*: *Upper left*; Atencio looks for someone to hand-off to. *Upper right*; #34 looks down-field for a hole, *Lower left*; Bumble Bee's recover a Carson fumble, *Page 187* : *Top left*; Offensive line gives good protection, *Top right*; Armando Areyan sacks the quarterback, *Upper left*; Davaunta Clay gains big yardage, *Upper right*; Banning's awesome defense awaits another big play, *Middle left*; Time to talk over strategy, *Middle right*; Touchdown! *Lower left*; You're not going anywhere! *Lower right*; Atencio passes behind good protection.

PRINCIPAL'S MESSAGE

Mr. James Hanley
Principal

1981-82 was another banner year for the Banning Pilots. The scholarships for the seniors came in droves and once again our senior class will be represented throughout the country in major colleges and universities. We had students making trips to Washington for the Presidential Classroom Scholarships and even one junior was sent on an all expense trip to Israel for one month. Our football team did it again and the rest of our athletic program was highly successful. Good luck to all the graduating seniors. I know you'll be very competitive and to next year's seniors and juniors keep up the good work and let's have a great 1982-83.

Sincerely, Jim Hanley

Yes, now I can provide homeowners, renters and auto insurance as well as life and health.

You can get the dependable planning and service that millions have enjoyed with their Prudential life insurance protection. Most claims are handled by phone, without any paper work. Just call a toll-free number, day or night, for assistance.

McDONALD'S

Going to McDonald's is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we do it all for you.
